Upcoming Referee Courses

The New South Wales Futsal Referees Association (NSWFRA) is responsible for referees across all Futsal competitions under the jurisdiction of Football NSW, affiliated to Football Federation Australia and FIFA.

Futsal is a sport played all year round with NSW State competitions running from October to February and the national competition, the F-League, running from May to August. NSWFRA has three current FIFA Futsal referees plus ex-FIFA referees as coaches to provide coaching and technical advice so that as a referee, you are able to reach your full potential. Referees continue their development while supplementing their income by officiating on local competitions played on most nights throughout the Sydney metropolitan area.
